

The Paragon Group, LLC strives to promote an advanced evidence-based practice in the arena of criminal justice. Services range from speaking engagements to assessment training up to program design. We have worked with criminal justice agencies, non-profits and for profit agencies who work with justice involved individuals. We are well versed in the R-N-R therapeutic model as well as the emerging desistance models of crime cessation.

The Criminologists Podcast:

Join Joe Arvidson and Shawn Trusten as they take you on a journey to the inner-workings of the Criminal Justice field, using science, humor and a combined 50-years of experience in the field as practitioners, educators and researchers. <https://thecriminologists.libsyn.com/>
